The Travel Book boken PDF

Lonely Planet: The worlds leading travel guide publisher Take a journey through every country in the world. 850 images. 230 countries. One complete picture. With details of every United Nations-approved country in the world, and a few more principalities and dependencies besides, Lonely Planet's Travel Book is the ultimate introduction to a world of travel and the essential travel reference book for every household! Each country is profiled by Lonely Planet's expert authors and features details of when to visit, what to see and do, and how to learn more about the country's culture from its film, music, food and drink. Every entry has a map and statistics about the country. All brand new, incredible photography illustrates each country, depicting what life is like in each nation from photographic portraits of people, beautiful landscape photographs and vibrant street photography. This premium packaged 448-page book with beautiful rainbow foil on the cover will make an impressive gift.

Its got enough philosophical nuggets to make you think about travel in a new way. Lonely Planet Author
